
**MARTINEZ EDUCATION FOUNDATION
2014 Grant Application**

4. Does the item include collaboration with other schools, other departments or grade levels within your school? Yes No If Yes, provide a short explanation:
5. Have matching funds been secured for this proposal? Yes No
(if Yes, please explain on Chart A)
6. MEF may make partial grant awards. Please complete Chart B to assist the MEF Board to support its decision making process.
7. Technology applicants:
- A. Indicate whether the technology request is to replace existing technology equipment, supplement existing technology equipment, or is new technology equipment (check one):
- Replaces existing technology equipment in the classroom
- Supplements existing technology equipment in the classroom
- New technology equipment in the classroom
- B. To assure consistency with the MUSD Technology Plan and standards, applications proposing technology enhancements (i.e.; new computers, software, or any device which connects to a computer or network) must include a Technology Review Certification from the Technology Department. E-mail or fax a copy of your application *including* Chart A, as well as any quotes, to the Technology Department at TechCert@martinez.k12.ca.us (fax #: 335-5960). The Technology Department will reply with any questions or send the Technology Review Certification to attach to this grant application.

2014 Grant Application**

CHART B

Partial Funding Worksheet

MEF may make partial grant awards. Many grants are used to purchase multiple items or units (books or pieces of equipment). If this grant request has multiple items, please help the MEF Board in its funding decisions by splitting the request into two possible funding options.

Full Amount of MEF grant request	\$
Number of items associated with the full request	

PARTIAL FUNDING OPTION A

EXPENDITURE OF FUNDS	Amount
1.	\$
2.	
3.	
Option A Total:	\$

PARTIAL FUNDING OPTION B

EXPENDITURE OF FUNDS	Amount
1.	\$
2.	
3.	
Option B Total:	\$
